

BHARATHRAJA S

Information Technology Student | Aspiring Software Developer

8310394019 • bharathraja200713@gmail.com • LinkedIn: linkedin.com/in/bharathraja-s-757261384

CAREER OBJECTIVE

Motivated second-year Information Technology student with a CGPA of 8.45 and a strong interest in software development. Possess foundational knowledge of C, Java, Python, Data Structures, and Database Management Systems. Seeking software development internship opportunities to apply programming knowledge, build practical skills, and contribute to innovative software solutions.

EDUCATION

Sri Sai Ram Engineering College

Bachelor of Technology in Information Technology | 2025–2029 | Second Year | CGPA: 8.45

TECHNICAL SKILLS

Programming	C, Java, Python
Core Concepts	Data Structures, Object-Oriented Programming
Database	MySQL, Database Management Systems
Web Technologies	HTML, CSS, JavaScript
Backend	Java, Spring Boot, REST APIs
Security	Spring Security

PROJECT

LifeLink – Smart Blood and Organ Availability System

Ongoing Academic Project

- Planning a centralized web-based system to manage blood and organ availability information across hospitals.
- Designing access for authorized hospital personnel to update and view availability records.
- Planning frontend development using HTML, CSS, and JavaScript, with Java and Spring Boot for the backend.
- Using MySQL for database management and REST APIs for frontend–backend communication.
- Exploring Spring Security for controlled access and secure system operation.

Technologies: HTML, CSS, JavaScript, Java, Spring Boot, MySQL, REST APIs, Spring Security

CERTIFICATIONS

- NPTEL – Programming in Java
- NPTEL – United Nations Sustainable Development Goals
- Skill India – Microsoft Digital Productivity
- IBM – Think Beyond: Shaping the Future with Intelligence
